## 2023-24 Intent Forms

We are starting to plan for the  
2024 - 25 school year!

Please fill out and send back the intent form  
(attached to this email) for next year.

Many of our classes were full this year, and we  
have had much interest from new families.

We want to be ready and prepared!

***Registration for current families will be  
March 4-9.***

On March 10, we will start processing new  
student applications and filling any open spaces  
in the classrooms.

*Special Announcement*

## A Fond Farewell - Mr. Bonifant

### Josh Bonifant

Northwest Christian School welcomed Mr. Josh Bonifant to the NCS family in 2017 as the school's new P.E. teacher. The Monday Memo published a similar announcement, but a very different photo! Josh Bonifant has been an institutional figure at NCS serving in many roles, the most important as a spiritual and academic mentor to his students.

Mr. Bonifant - 2017

After three years of teaching P.E. for NCS Mr. Bonifant graduated from Western Governor's University in 2020 with elementary teaching certification. The school opened up the classroom door for Josh to teach in a 4th-5th multigrade room during the 2020-21 school year. As the school grew, Mr. Bonifant has become the name etched into the 4th grade experience.

Mr. Bonifant - 2024

Mr. Bonifant has seen his personal life blossom during his time at NCS with his beautiful wife Mallory. Together they welcomed two amazing children into their family, Isla and Henry. Josh has served as a church elder and blessed us all with his music ministry.

Josh is moving to Sequim, WA where he will assume teaching in their SDA school starting in the Fall of 2024. To say that NCS will miss the Bonifant family would be an understatement. Please join me in offering Mr. Bonifant a heartfelt thank you for his ministry at NCS and prayers for the Bonifant family's big transition!

### **What is the Couple Checkup?**

The Couple Checkup is an online assessment tool designed to identify the unique relationship strengths and growth areas of dating, engaged, or married couples. Couples receive a 15–20 page report on their relationship and can download a free Discussion Guide, designed to help them learn proven relationship skills. Research has shown this process improves relationships by stimulating honest dialogue, increasing understanding, and empowering couples.

### **Why take the Couple Checkup?**

The Couple Checkup will help couples discover their relationship strengths. Strengths are what enable couples to enjoy and continue developing a healthy relationship. It will also help identify issues that are threatening the vitality of their relationship and may need to be addressed.

### **Who can take the Couple Checkup?**

The Couple Checkup can be taken by couples that are dating, engaged, or married. It is designed for any couple desiring to enrich their relationship.

### **Will the Couple Checkup be relevant for every couple?**

After indicating the stage of their relationship, the Couple Checkup will automatically select applicable questions, making the assessment valuable and relevant, as it is tailored to each couple's relationship stage and structure.

### **How long does it take to receive the Couple Checkup report?**

As soon as both partners have completed their portions of the Couple Checkup, they can login into their account and download, view, or print their report.

### **What feedback does the couple receive?**

Each couple receives a 15–20 page report, with their results broken down into relational categories. A Discussion Guide is also available as a free PDF download to help them improve their relationships skills.

### **What topics are covered in the Couple Checkup?**

Twenty important relationship areas are explored, including but not limited to:

- Communication
- Conflict Resolution
- Financial Management
- Relationship Roles
- Affection and Sexual Relationship
- Couple Closeness and Flexibility
- Family Closeness and Flexibility
- Personality
- Family of Origin

### **Is the Couple Checkup scientifically accurate?**

The Couple Checkup is very accurate and is based on the highly respected PREPARE/ENRICH Assessment. The Couple Checkup has high levels of validity and reliability.
