## Principal's Perspectives

Dear Northwest Christian School Family,

Welcome back from spring break, and to a particularly special April Fools' Day!

No joke that today is the first day that our students gathered in the morning to celebrate a week of worship together. Recognizing that we have just celebrated Easter Sunday, we felt it was a great time to emphasize the story of Jesus Christ, His life, death, and resurrection.

After four days of diving into the miracles of Jesus, the events surrounding his arrest and trial, and then his death on the cross and resurrection; our Friday will be highlighted by a series of skits put on by the Puyallup Pathfinder Club.

Looking forward, there are only eight short weeks left of the 2023-24 school year. One of the underlying themes of our week of worship is going to be the concept of finishing strong. There has been no greater example in history of finishing strong than Jesus Christ on the cross, His resurrection, and His continued work on our behalf.

We all have a duty in this world to do our best with the tasks at hand. Please join us in supporting our kiddos from the home-front as we lean in to finishing the school year strong - putting our best foot forward!
