Principal's Perspectives

Dear Northwest Christian School Family,

As we say goodbye to April and welcome the month of May, this week is one of the busiest of the entire school year. With a visiting committee on campus this week to conduct a full accreditation of our school, we are also practicing for the upper grade spring concert on Thursday, and conducting our spring MAP assessments on top of our everyday assignments.

The entire month of May continues at a fast pace as our classrooms engage in their final field trips of the school year, the eighth grade class embarks on their class trip, and all NCS students work hard to wrap up the school year strong; the academic efforts culminating with the NCS kindergarten and eighth grade graduation ceremonies.

I would like to take this opportunity to encourage you to help your children finish the school year strong! This is a tough time of the year as the spring days are getting longer, the temperatures are getting warmer, and our students can see that summer shaped light at the end of the tunnel. It is tempting for some to adopt an attitude of "senioritis," kicking back and skating carefree into the summer months. The time is now to rally around our children and help them finish the school year strong!

Craig Mattson
